Correction to "A study on the dimension of global sections of adjoint bundles for polarized manifolds, II"

Yoshiaki Fukuma

January 8, 2012

The author would like to point out a correction to his paper "'A study on the dimension of global sections of adjoint bundles for polarized manifolds, II" Hokkaido Math. J. 40 (2011) 251-277.

Table of misprint and error.

Page	Line	Error	Correct
254	10	$\chi(tL) = \sum_{j=0}^{n} \chi_j(X,L)\binom{t}{j}$	$\chi(tL) = \sum_{j=0}^{n} \chi_j(X,L)\binom{t+j-1}{j}$
