

Organizing Committee of the ICQ11 satellite workshop on
'Mathematics of Quasi-Periodic Order' at
Research Institute for Mathematical Sciences, Kyoto University

March 2010

Dear Colleague:

It is our great pleasure to invite you to the ICQ11 satellite workshop on 'Mathematics of Quasi-Periodic Order' to be held in Kyoto (the Research Institute for Mathematical Sciences, Kyoto University) from June 21st to 23rd, 2010. This is an announcement for those who are willing to participate and/or give a presentation in the workshop. The language of the workshop will be English and the duration of each lecture including discussion is planned to be about 30-60 minutes, which depends on the contents but also your wish can be taken into consideration.

Due to the funding situation, we will be able to assist only a limited number of participants of their travel expenses within Japan. You are asked to find a travel grant at your own responsibility. However, please do not hesitate to contact us if you have difficulty in finding other sources and some support from us would be necessary.

If you wish to attend the workshop, please provide the following information at your earliest convenience, but not later than April 30th, 2010. We will then send you further details about the workshop in due course. Thank you!

The information that we would like to have:

1. Name of the presenter
2. Co-authors
3. Affiliations
4. Contact info (address, phone number, e-mail)
5. Duration of your stay in Kyoto
6. Request for hotel arrangement (Yes/No)

Best regards,

Shigeki AKIYAMA
